

RESOLUTION NO. 2007-242

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE
AUTHORIZING THE CITY ENGINEER TO APPROVE A CHANGE ORDER FOR THE
GRANT LINE ROAD / STATE ROUTE 99 INTERCHANGE RECONSTRUCTION
PROJECT TO CONSTRUCT TEMPORARY DRAINAGE FACILITIES FOR THE
GRANT LINE ROAD / KAMMERER ROAD INTERSECTION**

WHEREAS, the construction of the Grant Line Road / Kammerer Road intersection is nearing completion as part of the Grant Line Road / State Route 99 Interchange Reconstruction Project (Project ID No. PT0009);

WHEREAS, the drainage for Grant Line Road / Kammerer Road intersection was to tie into the underground drainage system under Promenade Parkway as part of the Promenade Mall Project;

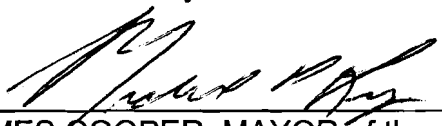

WHEREAS, the Promenade Parkway and its underground drainage system will not be in place before the 2007-2008 rainy season; and

WHEREAS, a temporary drainage system will need to be constructed this fall in order to avoid flooding from the construction of the Grant Line Road / Kammerer Road intersection.

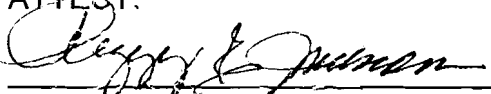

NOW, THEREFORE, BE IT RESOLVED that no further environmental review is required in conjunction with the proposed action. City staff reviewed the proposed action and determined that it is within the scope of analysis of the EIR for this project and the action would not result in any additional impacts that were not already identified in the EIR. Furthermore, the Corps of Engineers determined the action did not require a modification to the Grant Line interchange construction permit nor any additional resource agency permits.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the City Council of the City of Elk Grove authorizes the City Engineer to approve a change order not to exceed the amount of \$242,000 for the Grant Line Road / State Route 99 Interchange Reconstruction Project for the construction of temporary drainage facilities.

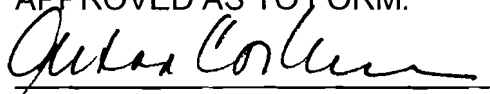

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 24th day of October 2007.

for 

JAMES COOPER, MAYOR of the
CITY OF ELK GROVE
