

RESOLUTION NO. 2011-152

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE
FINDING THE GOLD'S GYM REZONE PROJECT NO. EG-11-020
EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT
ASSESSOR PARCEL NUMBER 119-1990-005**

WHEREAS, the Planning Department of the City of Elk Grove received an application from TPC Architects (hereinafter referred to as the Applicant) on April 22, 2011, for a Rezone of the property; and

WHEREAS, the Gold's Gym Rezone Project (EG-11-020) (the "Project") is located on real property in the incorporated portions of the City of Elk Grove more particularly described as 2285 Longport Court, Assessor Parcel Number 119-1990-005; and

WHEREAS, the California Environmental Quality Act (CEQA), Public Resources Code, § 21000 et seq., requires that the City consider the environmental effects of a project before approving it; and

WHEREAS, Title 14, Division 6, Chapter 3 of the California Code of Regulations (herein after the State CEQA Guidelines) section 15301(a) (Existing Facilities) exempts projects that involve minor interior or exterior alterations; and

WHEREAS, State CEQA Guidelines section 15183 (Projects Consistent with a Community, General Plan, or Zoning) states that projects which are consistent with the development density established by existing zoning or general plan policies for which an Environmental Impact Report was certified shall not require additional environmental review; and

WHEREAS, the proposed Project's lease area is inside an existing shopping center and is therefore not considered environmentally sensitive; and

WHEREAS, all public utilities and services are available to the Project.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Elk Grove hereby finds the Project exempt from the CEQA pursuant to Guidelines sections 15301 (Minor Existing Facilities) and 15183 (Projects Consistent with a Community, General Plan, or Zoning) based on the following findings:

Finding #1: The proposed Project is exempt from CEQA review under §15301 (Existing Facilities) of the CEQA Guidelines.

Evidence: The proposed project is exempt from CEQA under State CEQA Guidelines Section 15301 (Existing Facilities). CEQA exempts projects consisting of the operations, repair, maintenance, permitting, leasing, licensing or the minor alteration of existing public or private structures involving negligible or no expansion of the use. The project meets this exemption because while rezoning the site to GC could expand the use of the structures found on the property, such potential expansion is considered negligible

in light of the General Commercial zone being consistent with the General Plan's designation of the site as Commercial. The GC zone allows the current use of the property to continue and allows for a variety of additional uses consistent with the General Plan. Additionally, since the site is already developed, any modifications in the existing development will most occur in the form of tenant improvements and possibly exterior signage. Therefore, this project qualifies for the identified exemption and no further environmental review is required.

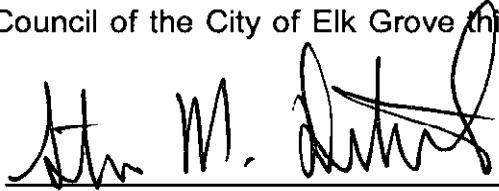

Finding #2: The proposed Project is exempt from CEQA under State CEQA Guidelines Section 15183 (Projects Consistent with a Community Plan, General Plan, or Zoning).

Evidence: CEQA mandates that projects which are consistent with the development density established by existing zoning, community plan, or general plan policies for which an EIR was certified shall not require additional environmental review. The proposed rezone is consistent with the Elk Grove General Plan land use designation of Commercial. Further, the certified General Plan EIR analyzed the commercial development of this property and its potential impacts. Therefore, the project qualifies for the identified exemption.

NOW, THEREFORE, BE IT FURTHER RESOLVED that if any section, subsection, sentence, clause, phrase, or word of this resolution is for any reason held by a court of competent jurisdiction to be unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining portions of the resolution. The City Council of the City of Elk Grove hereby declares that it would have passed this resolution and each section, subsection, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more section(s), subsection(s), sentence(s), clause(s), phrase(s), or word(s) be declared invalid.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the Planning Director is hereby directed to file a Notice of Exemption with the Sacramento County Clerk Recorder's Office.

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 27th day of July 2011.

STEVEN M. DETRICK, MAYOR of the
CITY OF ELK GROVE

ATTEST:

JASON LINDGREN, CITY CLERK

APPROVED AS TO FORM:

JENNIFER ALVES, ASSISTANT CITY
ATTORNEY
