WHEREAS, the Project is included in the approved Fiscal Year 2015-20 Capital Improvement Program and is budgeted with funds in the approved Fiscal Year 2015-16 Budget; and

WHEREAS, the California Environmental Quality Act (Section 21000 et seq. of the Public Resources Code, hereinafter referred to as CEQA) requires that cities consider the environmental consequences of their actions before approving a project; and

WHEREAS, the Project is a project under CEQA; and

WHEREAS, Section 15301 (Existing Facilities) of the State CEQA Guidelines (Chapter 3 of Division 6 of Title 14 of the California Code of Regulations) provides an exemption from CEQA for projects involving the minor alteration of existing public or private facilities when the alteration involves negligible or no expansion of an existing use; and

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Elk Grove hereby finds this Project exempt from CEQA pursuant to State CEQA Guidelines Section 15301.

Finding: The proposed Project is exempt from CEQA pursuant to section 15301 of the State CEQA Guidelines.

Evidence: The proposed Project is exempt from CEQA pursuant to State CEQA Guidelines Section 15301 (Existing Facilities). This exemption applies to the minor alteration of existing public or private facilities when the alteration involves negligible or no expansion of an existing use. The proposed project will consist of the following: excavation, grading, concrete work, underground storm drain, asphalt concrete paving to construct approximately 260 feet of curb, gutter, and sidewalk at Strawberry Creek connecting the existing sidewalk on Elk Grove-Florin Road. No trees will be removed and no special circumstances exist that would create a reasonable possibility that the Project will have a significant adverse effect on the environment. Therefore, this project qualifies for the identified exemption and no further environmental review is required.

- 1) Authorizes the City Manager to execute a construction contract with Martin General Engineering, Inc. for the Elk Grove-Florin Road Sidewalk Infill at Strawberry Creek Project (WAC016), in the amount of \$115,997 upon receipt of all required bonds and insurance and the approval of such bonds and insurance by the City Attorney;
