

RESOLUTION NO. 2016-232

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ELK GROVE
AUTHORIZING THE CITY MANAGER OR DESIGNEE TO AMEND THE PAVEMENT
RESURFACING PROGRAM PORTION OF THE CAPITAL IMPROVEMENT
PROGRAM TO REALLOCATE EXISTING FUNDS BETWEEN PROJECTS**

WHEREAS, the Capital Improvement Program (CIP) describes transportation, drainage, and facility capital improvements planned by the City for a five-year period and sets forth a funding strategy for their implementation; and

WHEREAS, projects within the CIP are organized by program, including the Pavement Resurfacing Program (WPR); and

WHEREAS, City Council approval is currently required to move current year approved funds to a different Pavement Resurfacing project; and

WHEREAS, at completion of a project the unused funds typically go back to fund and are no longer available that fiscal year for the Pavement Resurfacing Program; and

WHEREAS, the current process delays the use of funding needed to keep our roads in a good state of repair and provides a level of uncertainty on what funds would be available for the current or upcoming fiscal year; and

WHEREAS, staff desires the ability to move approved funds to current projects or advance the funds to a following year's pavement project to start preliminary engineering sooner; and

WHEREAS, the changes described would only serve to reallocate funds already approved within the current year's budget within the Pavement Resurfacing Program.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Elk Grove hereby authorizes the City Manager or designee to amend the Pavement Resurfacing Program portion of the Capital Improvement Program to reallocate existing funds between projects.

PASSED AND ADOPTED by the City Council of the City of Elk Grove this 14th day of December 2016.

STEVE LY, MAYOR of the
CITY OF ELK GROVE

ATTEST:

JASON LINDGREN, CITY CLERK

APPROVED AS TO FORM:

JONATHAN P. HOBBS,
CITY ATTORNEY
