AGREEMENT

In consideration of the granting of this Permit, the Applicant agrees to the following:

1. All requirements in the Master License Agreement (MLA) have been complied with, specifically:
 - Payment of MLA Fee, as set forth in Exhibit C of the MLA.
 - Surety Bond – Licensee has furnished a Performance Bond ("Surety Bond") in the amount specified in Exhibit C of the MLA and shall maintain such Bond during the Term of the Agreement.
 - Insurance, as set forth in Exhibit D of the MLA- Licensee has provided proof of and will maintain in full force and effect at all times during the term of the Agreement, policies of insurance. Licensee also certifies compliance with Labor Code Section 3700, as set forth in Exhibit E of the MLA.
2. A Billing Agreement for Small Cell Connections to City Streetlights by and between (SMUD), the City, and the Telecommunications Service Provider has been executed.
3. As a condition of the granting of this permit to comply with all provisions of the Elk Grove Municipal Code, any other associated permit condition, and any related small cell license agreement associated with this Permit. Applicant agrees to defend, indemnify, and hold harmless the City of Elk Grove and each of its elected or appointed officials and employees from any liability and/or responsibility for any accident, loss or damage to persons or property resulting from the Applicant's presence within the City right-of-way or any installation, construction, maintenance, state of use, repair work, on any other matter related to the Permit undertaken by Applicant and/or Applicant's agents, employees or representatives.
4. Comply with all applicable laws in the establishment, maintenance, and/or removal of the small cell wireless facility. No small cell facility shall interfere with the public use and maintenance of the travelled way, shoulder/parking lane, sidewalk/pathway, and/or traffic signal/street lighting.
5. For each small cell wireless facility, obtain electrical service consistent with the Billing Agreement for Small Cell Connections to City Streetlights associated with this Permit.
6. For each small cell wireless facility, satisfy all Permit requirements prior to energizing facility.
7. Conform to all due safety precautions for the protection of persons and property for all engaged in any work authorized by this Permit.
8. Remove or relocate, if directed by the City, any small cell wireless facility placed, changed or renewed under the authority of this permit as provided by the Elk Grove Municipal Code, the related MLA for Small Cell Wireless Communication Facilities, or the Billing Agreement for Small Cell Connections to City Streetlights associated with this Permit.
9. After removing, relocating, or abandonment of a small cell wireless facility, Applicant shall be responsible for the restoration or costs to restore the City facility to the equivalent or better condition than it was prior to the date this Permit became effective, or prior to the date the small cell wireless facility was first placed, whichever is earlier.
10. Applicant shall be financially responsible for the annual fee of facilities placed on City owned structures, all as required by law and/or the related MLA for Small Cell Wireless Communication Facilities associated with this Permit.
11. If a facility is sold, the original Applicant shall remain responsible for all fees unless and until transfer to new permittee is approved by the City.
